Birth On Labor Day

**Attend a performance of Karen Brody's hit play,
BIRTH, coming to our area on September 15th!**

The play is based on over 100 interviews with mothers across America.
It tells the true birth stories of eight women...
painting a picture of how women give birth in the USA today.

MEET:

- *Jillian, a mother of four with a mixed bag of birthing experiences,*
- *Beth, a computer systems manager who confidently planned a cesarean,*
- *Vanessa and Janet who never doubted that they wanted an epidural,*
- *Natalie, who planned a natural birth,*
- *Lisa and Sandy whose cesareans changed their lives, and*
- *Amanda, who has a natural birth in a hospital.*

Moving between first-person monologues, dialog, and the voices these women heard on the day they gave birth, BIRTH confronts the "naked truth about birthing in America".
